1. INTRODUCTION

This Website Development Agreement ("Agreement") is entered into between **HumanLens IT Solutions**, an IT service provider located in Galle, Sri Lanka, hereinafter referred to as "the Developer," and **Meiyal Foundation**, hereinafter referred to as "the Client." The purpose of this Agreement is to define the terms under which HumanLens IT Solutions will design, develop, and deliver a website for the Client.

2. PROJECT OBJECTIVE

The Developer shall design and build a **custom, responsive website** that reflects the Client's brand identity and meets their functional, visual, and technical requirements.

3. SCOPE OF WORK

The Developer agrees to provide the following services:

1. **Requirement Gathering & Analysis** – consultation sessions to finalize website objectives, structure, and design preferences.
2. **UI/UX Design** – layout design, color palette, typography, and wireframes.
3. **Front-End Development** – responsive web pages using React, CSS, JavaScript, and modern frameworks.
4. **Back-End Development** – database setup, admin panel, and integration of required functionalities.
5. **Content Integration** – uploading of provided text, photos, and videos.
6. **Testing & Quality Assurance** – browser and device compatibility checks.

7. **Training & Handover** – basic user guide and admin training for content updates.

8. **Maintenance Support (Optional)** – post-launch support and technical assistance as per Section 8.

4. PROJECT DELIVERABLES

At completion, the Developer will deliver:

- Fully functional website (with all agreed features)
- Admin credentials and website access
- Documentation and training material
- Backup copy of the final website files

5. CLIENT RESPONSIBILITIES

The Client agrees to:

- Provide accurate and timely feedback, materials, and approvals.
- Supply all website content (text, images, videos, etc.) unless otherwise agreed.
- Ensure necessary domain and hosting details are shared with the Developer.
- Make all payments according to the agreed schedule.
